It shall be lawful for the Deputy Commissioner with the sanction of the Supreme Government to be notified by Proclamation in the Government Gazette and in such like manner as the Government shall direct, to employ any Police force in excess of the ordinary police complement to be quartered in any part of the District which shall be found to be in a disturbed or dangerous state, or in any part of the district which, from the conduct of the inhabitants, he may deem it expedient to increase the number of Police. The inhabitants of the part of the country described in the notification shall be charged with the cost of such additional Police force, and the Deputy Commissioner of the District, after enquiry, if necessary, shall assess the proportion in which the amount is to be paid by the inhabitants according to their assessment of their respective means.

whereas that the provisions of 1 & 2 of the Police Rules contained the

in unnecessary confusion and the payment of the salaries of the men actually employed in anticipation of sanction, delayed for one month.

The question ~~now~~ before the Govt. is whether it shd. now Convey ~~its Sanction~~ & publish its Sanction for the Employment of a Police force in excess of the fixed Complement, & be questioned upon the Maliwalli ~~Town~~ The Govt. ~~Could have Conveyed & published such Sanction~~ Soon after the occurrence of the Maliwalli Riot

When the riot was fresh in peoples' mind Conveyed & published such Sanction, either ~~on its own motion or~~ on the application of the Inspr Genl. of Police or the Dept

Corpn or upon its own motion on other info

But after so much lapse of time, when the town & its neighbourhood is quiet it is undesirable to direct the quartering of a punitive force on the place ~~& such~~

The force thereby sanctioned can have its character of a punitive force only after the sanction of the Govt for its entertainment and it is not desirable to give such sanction retrospectively, the Cost of the force, which would be discharged on the 30th instant, should be met from the ordinary Police Budget —

as S. 33 of the Regulation Police Rules do cannot be regarded as limiting or conditioning the power of the Govt in the matter.

The Police rules have hitherto had no legal sanction in its present form — who altered the Govt power Rule 9 of 16 Oct 1872 as shown in the Compilation of Rules — Section 29 of those Rules is different from S 33 of the Compilation now shown as in force 16-9-96

The Engrossed Gazette file of 1872 containing Govt of India Rules (Village Police) of 11 Oct 1872 detached & sent back to D.O.N.O. being today a note required by A.G. (as per personal orders of the Govt) 7/9/97.

Memo. (5)

The Regular Police Rules of 187 contained the following clause:-

S. 68. "The Judl Commr may, "from time to time, by notification "in the Official Gazette, cancel, "alter, or add to, all or any of "these rules."

These rules issued & modified by the Judl Commr had the force of law.

2. By Notifn No. 139 of 19th 1879, the words "Judl Commr" were altered throughout the Rules into "Chief Commr," which was further altered into "Govt of Mysore," by Notifications issued after the Demonition.

3. Thus altered, and with the necessary verbal ~~alteration~~ modification S. 29 of the Regular Police Rules of 1872 would read as follows:

"It shall be lawful for the "Govt of Mysore, after proclamation "in the Govt Gazette and in such other "manner as it shall direct, to "employ any police force in exec "ute etc etc, "and the Magistrate of the "District, after enquiry if necessary, "shall assess the proportion in which "the amount is to be paid by the "inhabitants according to their respective "means."

Let me see the Regulations, & the Notifications referred to in this Memo— C 26/9/98.

Please see p. 189 of Gazette of 1873 for the orig. rules; p. 247 of Gazette of 1879 for alteration of "Judl Commr" into "Chief Commr." I am sorry I am unable to find the Notifn altering "Chief Commr" into "Govt of Mysore," even after searching thro' many Gazettes; but that there was one is my impression. No separate copies of the orig. Rules are available. 26/9

rests lie with the Govt, and the only formality req^d would be notification.

4. There are no references either in the Legislative Dept or in the Police Office to show under what circumstances the alterations in the printed manual were made. It appears, however, that they were made under the instructions of the late Mr S. Venkatavaradier, who was then Police Secy to the Govt.

5. The alterations made in the manual are somewhat irregular and not easily brought under a brief validating Notification, as it contains within it additional and subsequent modifications, issued by the Jud^l Comm^r and others from time to time.

I would suggest that, for the present, an order be issued under S. 68 of the Rules, republishing them in their new form for the information of the public. This is enough to give them legal sanction.

Meanwhile, the Police Regulations (based on the Bombay District Police Act) which I have nearly completed under the orders of the Hon. Councillor and the Secretary may shortly come into force and supersede almost the whole of the Regular Police Rules.

Yours truly

FROM

THE INSPECTOR GENERAL OF POLICE

To

THE ~~GENERAL~~ SECRETARY TO THE
GOVERNMENT OF MYSORE,
General and Revenue Departments.

SIR,

In connection with the recent Malvally riots, I have the honor to report, that one of the measures adopted by me for securing the peace of the Town and preventing a recurrence of the lawlessness which prevailed there, was the quartering of a small punitive force on the town. In order that the measure may not lose any of its moral effect, the men were enlisted on the spot while I was still in the place, and put under the usual Course of instruction in drill and patrol duty, uniforms being ordered out for them from Bangalore. The strength of the force duly enrolled was as per margin, and I left the place after instructing the Superintendent of Police, Mysore, to submit, in consultation with the Deputy Commissioner, proposals for levying the cost from the townspeople as per para 33 of the Police Rules.

× on 28th May 1896.

2 Lance Duffedars on Rs. 9 each.
12 Second Class Constables on Rs. 7 each.

2. The Deputy Commissioner, however, after some preliminary Correspondence, sent in with his docket No. 486 dated 24th June 1896 a proposition statement in the form applicable to applications for Sanction for additional establishment to be entertained

at Government cost. In docket No. 42 dated 4th July 1896 from this office, the error in not realizing the fact that the additional Police was in the nature of a punitive Police was pointed out and the Deputy Commissioner was requested to assess the cost on the townspeople as per Rules and send in a proper statement. The Deputy Commissioner took 25 days to reply and in his docket No. 50 dated 30th July 1896, stated that as the case of rioting was under enquiry by him in his Capacity of Magistrate, he felt he could not commit himself to any opinion on the points necessary for the settlement of the question connected with the punitive Police. It explained to the Deputy Commissioner, in this office No. 448 dated 4th August 1896, that the proposal in regard to punitive police should come from him according to the rules and these rules had to be complied with. But the Deputy Commissioner, in his last Communication No. 65 dated 6th August 1896, practically refuses to have any thing to do with the proposal until the case which he is now trying is over, and says that the matter has been left to be dealt with by the Superintendent of Police, French Rocks.

3. I have not yet received any proposals and I consider it undesirable that the men newly enlisted should be any longer kept unpaid. I accordingly submit a bill received from the Superintendent of Police, French Rocks, through the Deputy Commissioner, for pay due to the men and request that the additional establishment may be paid from Government funds.

4. I expected that with the Co-operation of the Deputy Commissioner, I should be in a position not only to report the entertainment of the punitive force, but submit full details as to how the cost was to be met before the first months' pay fall due; but from the attitude of indifference, which the Deputy Commissioner has been pleased to assume towards a measure, which in the public interests I had to adopt in anticipation of Government Sanction this simple question has been allowed

remain undisposed of for such a long time, and I beg to apologize Government for the unavoidable delay that has occurred in bringing matter to their notice.

5. Copies of the entire correspondence between this office and the Deputy mmissioners on the subject are submitted for information.

I have the honor to be,

Your most Obedient Servant,

Dated 4th June 1896.

Sir,

The Superintendent of Police of the Mysore District who had, at your request, been sent to Malvalli for the investigation of the case of rioting that took place there on the 14th May 1896, has sent me a memo No: A of the 28th May 1896 stating that he has appointed extra Police consisting of 2 Kanee Duffedars and 12 second class Constables for the purpose of preventing future misconduct on the part of Vokkaligars of Malvalli and for the purpose of reassuring the minds of people there. He says that with your concurrence he has indented for the Khaki uniforms for those men from the Police stores. I beg to enclose his memo and a list of the men entertained by him and to request sanction thereto.

I have &c.,

Signed B. K. Venkatavaradiengar.
Deputy Commissioner
Mysore District.

Memo.

1. In accordance with the Deputy Commissioner's instructions I left Mysore by 10-25 P. M. train on the 24th and arrived at Malavalli early on the morning of 25th and took over charge of the

I had the greatest difficulty in obtaining [illegible] and very material evidence owing to the great fear the people residing in the main street were in, of the Vakkaligars. They feared personal injury and dishonour of their women, if they spoke out and it was not till I established a temporary station in the Petta and located 4 men in it that I was able to obtain the evidence and information required.

2. In order to prevent future misconduct on the part of the Vakkaligars and to reassure the minds of the people and for the more efficient watch, ward and patrol of the Petta, it was deemed necessary to strengthen the local Police by enlisting for the present, 12 men as 2nd class Constables and two Lance Duffedars. These men were selected for their height and good physique and are being drilled daily. Their names, caste, height &c. are given in the appended list.

3. With the concurrence of the Inspector General of Police, I have indented for Khaki uniform for these men from his stores. I beg that formal sanction of Government to the establishment of this additional Police, may be kindly obtained through the Inspector General of Police.

4. As to the case itself I beg to state that the investigation is practically completed. A good case is made out against (42) individuals including the ring leaders. Of these 15 have been arrested and steps have been taken to effect the capture of the remainder. Several parties have been detailed for the purpose. The charge sheet will be ready by the 31st and I would request the Deputy Commissioner, as District Magistrate, to try

the case at Malavalli, not only on the ground of general convenience but for other obvious reasons. If the Deputy Commissioner will kindly let me know the date on which he will be prepared to take up the case here, I will bind over the witnesses to appear on that date. I would also request that the Public Prosecutor be instructed to conduct the Prosecution, of course I will be present to instruct him.

...6 dated 24th ultimo stating that the additiona

additional men were entertained at Malavalli as a punitive force in anticipation of sanction and recommending that the said force may be continued for one year.

Has the honor to return the Proposition Statement. The undersigned is surprised that neither the Deputy Commissioner nor the Superintendent of Police has noticed that the additional force proposed to be entertained is in the nature of punitive Pol which means a Police force maintained at the cost of the inhabitants of the locality owing to the misconduct of which such additional Police is proposed to be entertained. The unde signed regrets that in spite of special instructions given to the Superintendent, he should have overlooked this very first princip of the system, and sent in a proposition statement in the form of additional Police entertained at the cost of Government.

The Deputy Commissioner's attention is invited to Rule 33 of the Regular Police Rules and he is requested to be so good as to sen in careful proposals as to how the total cost of the additional Pol should be distributed among the inhabitants. Would be regula it upon the house-tax paid on each house or on individuals or houses? As the special out post was in the main petta and al classes except Bestars were implicated, undersigned was of opinion that the Bestar street might be excluded and the fine levied from the Petta and Fort. The fort was also in the conspiracy and hence the proposal to tax the fort also. These were mere suggestions which undersigned remembers making to the Superintendent. The matter lies entirely in the discretion

of

Deputy Commissioner in charge of the District, and as such responsible for its peace and security. He is now requested to submit carefully worked out proposals, which undersigned would recommend for the favorable Consideration of Government. The Government may be requested to grant sanction for levying the fine from the date of entertainment of the Special Police. An early reply is requested.

In requesting an early reply to the above, has the honor to enquire whether the Deputy Commissioner has made due arrangements regularly to disburse the monthly pay of the punitive force, which the undersigned understands, has been entertained in anticipation of Government sanction.

&

It is hoped that the men entertained are not kept waiting for their pay, pending the settlement by the Deputy Commissioner, of the details connected with the incidence of the cost to be levied from the inhabitants of the locality.

Sir,

With reference to the correspondence ending with your docket No. 226/30 of the 18th July 1896, calling for detailed proposals for maintaining a punitive Police Force at Malvalli in connection with the riot that took place there on the 14th May 1896, I beg to state that, if I am to make the proposal, I have to mention which party is at fault to make it liable to bear the charge. As I am trying the case of rioting I feel that I cannot at present Commit myself to any opinion and say who is at fault. I have therefore, asked the Police Superintendent of French Rocks to submit to you all the information you want together with a memo showing his opinion and proposals. As you were at Malvalli for some time and enquired into the circumstances

of

of the riot, and as, moreover, the punitive force was entertained at your personal direction, you may probably be able to make the necessary recommendation yourself. If, however, my opinion is wanted I can only give it after the disposal of the case which I am now trying.

A strong Police force is necessary at Malvalli. The Superintendent propose 12 men and 2 Duffedars. The town is a large one containing over 6000 population. The proposal if anything errs on the side of moderation. sanctioning increase of pay to Police Duffedars throughout Mysore, applied to them as well. The Comptroller bases his objection to pass the higher rate of pay to these two Duffedars on the ground that the Government order No. 4569-71/504 dated 2-10-96 sanctioning the entertainment of the temporary force, has fixed a limit to the monthly cost, which cannot be exceeded without express sanction applicable to the particular case under reference. The view taken by the Comptroller necessitates a reference being made to Government on the subject and the undersigned would be to commend the matter for the favorable consideration of the Inspector General, as it seems hard that the two Duffedars concerned should be denied the benefit of the concession enjoyed by others of the same position and status elsewhere.

Pending the orders of Government on the question instructions have been sent to the Kolvally Taluk to issue pay to the said Duffedars in future at the old rate of only Rs 9 per month.
